

# Midland Industries **GAUGES**

.....  
**PLACE AN ORDER TODAY!**

## MANUFACTURED FOR QUALITY **DRY, LIQUID, & GAS GAUGES**

All of the gauges supplied by Midland Industries are designed for long, reliable service under rugged conditions. Typical applications include compressors, filter regulators, water pumps, beverage dispensing equipment, hydraulic and pneumatic systems, and other applications where the media does not corrode brass. ALL CONNECTIONS ARE BRASS.

Liquid filled gauges enhance the reliability and integrity of the measuring system for long period. They glycerine filling helps dampen the effects of vibration and pulsation. It also lubricates the movement which extends the life of the gauge.

**Innovative, efficient and reliable.**  
Our Gauges come in a  
variety of options for  
any application you need!

### Gauge Options Include:

- Standard Dry Gauges - Steel Case  
Lower Mount, Center Back Mount
- Liquid Filled Gauges - Stainless Case  
Lower Mount, Center Back Mount
- Water Test Gauges  
Lower Mount
- Water Test Gauges w/ Lazy Hand
